INTRODUCTION –OUT OF TOWN PATIENT

Since you will be traveling to Miami for your procedure, our staff can assist in making your trip and procedure as easy as possible. The following steps and paperwork will help expedite the logistics of your procedure.

Patient Checklist (All patients must complete the following, prior to surgery)

_____ Please let the practice/office know a few weeks in advance the date you would like your surgery.

Travel Logistics:

Initial evaluations are scheduled for either Tuesday (with surgery the following Wednesday) or Thursday (with surgery the following Friday). We suggest one local hotel which is close to the office/hospital; The Sonesta Hotel. For more information click [here](#)

_____ Please plan on being in Miami for 5-7 days.

_____ Please inform the practice of your itinerary & confirm your hotel reservation two-to-three weeks before your appointment

Complete Forms

Below you may print our package for new patients. These forms are required to open a chart for you.

_____ Please complete the forms & bring to your initial visit or send the documents electronically prior to your visit. (The consent forms will be signed in our office after your consultation with Dr. Perito.)

Pre-Op Tests & Clearance

_____ Please provide a medical clearance from your internist. Pre-op testing required includes:

CBC, PT, PTT, BMP, URINE ANALYSIS, CHEST X-RAY, EKG AND MEDICAL CLEARANCE LETTER (the medical clearance is valid up to 30 days prior to surgery)

If you are unable to obtain medical clearance please contact our office to discuss pre-operative requirements.

If you have any history of cardiac issues, we also request a cardiac clearance.

*If you are an international patient and unable to obtain medical clearance from a licensed, U.S. physician please contact our office for assistance.
