

CORONAVIRUS POLICY

“WELL VISITS ONLY”

- If you feel you have cold and or flu symptoms (initial symptoms may include fever and minor cough) please postpone any elective visits. We can assist you with obtaining proper testing.
- Currently our primary hospital has not had any cases related to COVID-19. Should one occur, any elective cases will be moved to our outpatient surgical center.
- Our Office utilizes CDC guidelines on sterilization of all surfaces and precautionary measures for patient contact.
